### **Note to Editors**

#### **About NTR plc**

NTR's strategy is to be "a Leading International Developer and Operator in Renewable Energy and Sustainable Waste Management". Consistent with this strategy, NTR is currently engaged in a significant phase of development in renewable energy through its investments in wind energy (Wind Capital Group), solar energy (Stirling Energy Systems), bio-ethanol production (Green Plains Renewable Energy), and in sustainable waste management in North America, the United Kingdom and Ireland (Greenstar). This follows the successful completion of the sale of its interests in the West-Link toll facility and Airtricity Holdings Limited which delivered substantial investment returns for the Company and its shareholders. NTR plc is an unlisted public company and its shares are traded on a grey market operated by the company's brokers. NTR has operations in Ireland, the UK and the US. [www.ntr.ie](http://www.ntr.ie)
