

## **NTR's Greenstar North America Announces Appointment of CFO, Dan Crociata**

**August 9<sup>th</sup> 2010** – NTR's Houston-based sustainable waste management business, Greenstar North America (<http://www.greenstar-na.com>), a leading recycler in North America, today announced the appointment of Dan Crociata as its Chief Financial Officer.

Mr. Crociata replaces Matt Delnick, who was promoted to CEO. Matt Delnick commented, "I am excited to announce that Dan Crociata has been appointed CFO of Greenstar. I've known Dan for a number of years and have first-hand knowledge of his leadership skills, business acumen and dedication. He is a great addition to the team and will be instrumental in helping the organization achieve its strategic objectives."

Since 2007, Mr. Crociata served as Vice President Finance & Administration for Silver Line Building Products, a division of Andersen Windows. From 1999-2007, Mr. Crociata served in key management positions with Lafarge North America, most recently as Vice President Finance for the Western U.S. Region. Mr. Crociata earned a Bachelor of Science degree in Business Administration, with a major in Accounting, from Central Michigan University and a Masters of Business Administration (MBA) degree from Wayne State University. In addition, he holds the designation of Certified Management Accountant (CMA).

### **About Greenstar North America**

Greenstar is a leading recycler in North America backed by one of the world's leading renewable energy and recycling companies. Greenstar provides sustainable recycling solutions in the recycle processing, commodity upgrading, managed services and commodity trading sectors of the solid waste market. Greenstar entered the U.S. market in 2007 and quickly established a platform for growth by partnering with some of the leading companies in the industry. The company handles two million tons per year of recyclables through a network of 14 processing facilities.
